Giving Circle Foundation

THANK YOU!

You have restored the eye sight of 15 poor children.

Dear Giving Circle Foundation Team,

Thank you very much for your donation to Akhand Jyoti Eye Hospital, a unit of Yugrishi Shriram Sharma Acharya Charitable Trust.

Your generous donation has had a tremendous impact on the lives of 15 children from the poorest sections of the society thereby helping them regain sight, dignity and hope. Your support has significantly helped us to boost our mission of blind-free Bihar by 2026.

I would like to invite you to visit our facility at Mastichak, to come and see our work and how your support matters. We would be delighted to have your presence at Mastichak."
